

Google Classroom for Students

How to log into Google Classroom

Follow these steps to log into your Google Classroom for the first time.

1. Go to classroom.google.com and click Go to Classroom.

2. Enter your username (School email address - Ex. 111234@students.epps.org) and click Next.

A screenshot of the Google sign-in page. It displays the Google logo, the text "Sign in" and "Use your Google Account". There is an input field labeled "Email or phone" with a blue border. Below the field are links for "Forgot email?", "Not your computer? Use Guest mode to sign in privately. Learn more", and "Create account". A blue "Next" button is located at the bottom right of the sign-in area.

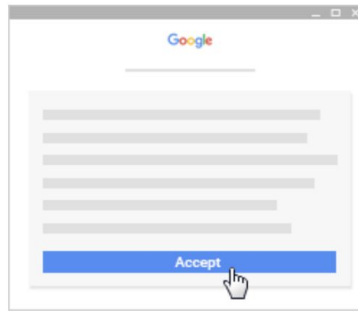

Your child's username is:

_____@students.epps.org

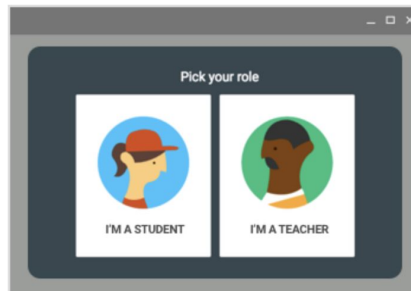

3. Enter your password (Password for all new accounts: 12345678!!) and click Next. If the password does not work, please contact Mrs. Buffa at buffa@epps.org. It may ask you to reset your password. Please choose a password that is at least 8 characters long, and write it down, so you know what it is.

A screenshot of the Google password entry page. It features the Google logo and the word "Welcome". There is a dropdown menu with a person icon and a downward arrow. Below it is a label "Enter your password" and a password input field with a blue underline and a small eye icon for toggling visibility. At the bottom, there are links for "Forgot password?" and a blue "Next" button.

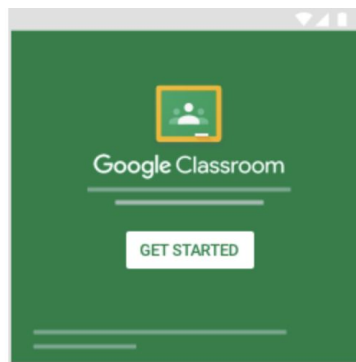

4. If there is a welcome message, read it and click Accept.

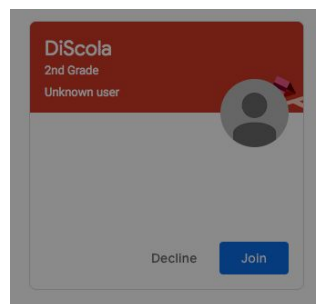

5. Click I'm A Student.

6. Click Get Started.

Your class/classes will appear here. Click join for your class and begin.
